TESTIMONIALS

"Arthur and his crew did such an excellent job capturing our special day! He flew from Los Angeles and his 2nd videographer flew from New York to shoot our wedding! They even came to the rehearsal 2 days before the wedding to get a more detailed view of everything. I stressed for months over finding that perfect videographer because we wanted to have our wedding day in the form of a cinematic film. Our wedding Film was everything we wanted plus more! PERFECTION! I WAS BLOWN AWAY WITH THE FINAL VIDEO!!!!"

Meleah & Zachary Skillern, Wedding Client 2020

"I'm trying to find the word to describe your talent but I am honestly speechless! We absolutely love our wedding Movie, It is perfect! We just finished watching it, for the 100th time, and my emotions are overflowing just as they were on our wedding day. Thank you for giving us this memory that we can share together and with our family for generations.. You are extremely talented and we truly appreciate you."

Brandon & Sarah Davis, Wedding Client 2019

"By far the best decision we made was hiring ForeverFr3sh Films for our wedding. I love to watch wedding videos and I have not seen any wedding videos that matches the creativity and attention to detail. Flying him out from Los Angeles was completely worth it. Our Wedding video was perfect. Greet Communication and turnaround time!"
